

## Life

Flipper

I too have sung death's praise  
But I'm not going to sing that song anymore  
Yes, I've figured out what living is all about  
It's life! life!  
Life is the only thing worth living for  
Yes life! life!  
Life is the only thing worth...  
Life! life!  
(I know it has it's ups and downs)
