1,2,3,4... So yourre a lowrider, man Walkinrdown the street Get into your lowrider All those girls yourll meet Get out after school Just to play it cool Lowrider Lowrider So you go to class at school And you're acting real cool With those girls in their catholic dresses You want to be real nice But you know they're just your vice Lowrider Lowrider A man Let's go down to target video And beat up some punk rockers Snort some dust and cruise slow And slower They have those punk rock Parties at target We gonna beat them up Say lowrider Lowrider Na you guys are fucking boring Maybe not you two The rest of you just standing there Like a fucking bunch of dulls Why don't you try and do something at least Try and kill each other you know That's better kiss my boots

Lowrider
