

# Nothing

Flipper

Nothing, nothing, nothing, nothing  
You don't care so you say, 'cause it's  
Nothing, nothing, nothing, nothing  
Not to believe is what you believe  
Nothing, nothing, nothing, nothing  
It's all a dream in the daylight  
Nothing, nothing, nothing, nothing  
And at night, it's a nightmare  
Nothing, nothing, nothing, nothing  
Think too much and you go to jail  
Nothing, nothing, nothing, nothing  
Stupid police won't let you pay any bail  
Nothing, nothing, nothing, nothing  
Sitting around and you're wasting my time  
Nothing, nothing, nothing, nothing  
Once you were a good friend of mine
