

# Telephone

Flipper

Now when I'm sick and tired and I'm far away from home  
I need to hear your voice on the telephone  
That's just what I need to feel at home  
No matter how far away I am, how bad I feel  
'Cause there's no greater thrill in my life  
Than to hear your sweet voice in my ear, it's nice  
It makes the miles apart not so far  
Brings hope to me like a shining star

I get so tired out when I reach over and dial out  
And all I get is the stupid machine it says  
"I'm not at home right now  
If you know what I mean  
So if you will leave your name and number  
Sometime I'll give you a call back and if you don't  
I won't make time for you no more, Jack"

See I'm sick and tired of layin' alone  
I get these cold sweats when I'm far away from home  
And if I could just hear your voice one more time  
I might have a little inspiration to continue  
My life in a way that I can that doesn't seem  
So destructive as I am but it's OK if I don't  
Get you today, I'll just listen to your  
Answering machine Ok fucked up piece of  
Shit 30 seconds and I'm cut off  
No return calls (once a week)
