

## The Game's Got A Price

Flipper

I heard but I wonrt tell  
What you said about everyone else  
I saw but I wonrt tell  
What yourve done with every other one  
A wink and a nod  
Irll play your game  
A nod and a smile  
Irll not say a word  
Because the gamers got a price  
And yourve got to pay  
Yourve got to pay  
Because the gamers got a price
