

Angel

Flipsyde

Now you've been up and you've been down
Stayed strong even though daddy wasn't around
My momma through the thick and the thin beginning to end
And though I be sinning you keep me livin' with that love that
you givin'
It's unconditional hey the sun shines when I see a smile on y
a face
My momma with the money and jewels the record and tours
I'd give it away if I could make your days happy days
And when my hearts broke and can't cope I'm comin' on home
To remember the reason why I was born
Cuddle up inside your heavenly arms you help me weather the s
torm
You love music so I put it in song

She's an Angel workin' on God's train
She's an Angel workin' on me
She's an Angel workin' on God's train
She's an Angel workin' on me
