You know your existence  
has kinda been recognized by the resistance to dream  
Eventually becoming a way of life to me  
Enough to keep contemptment  
through waking hours to courting shades

in those early days  
math was exchanged  
i kinda had to build up the courage to jus say  
Hey...hello...remember me (hello) i jus felt...jus to say  
How r u..how r u babe hello  
how r u babe how r u babe hello  
How r u babe how r u babe hello
