

# Death Valley Queen

Flogging Molly

Death valley queen where have you been  
Since they crowned you in glory  
Filled your head with dreams  
But it still goes to show in every desert  
There's a rose that's blooming for all to be seen  
I remember you well from that town  
You did dwell with the face of an angel  
In a dump hot as hell  
When I asked for a kiss  
You kindly dismissed  
So i lead my poor heart to the slaughter  
Tell me dear what did you fear  
I'd do you no wrong though no stranger to sin  
So death valley queen go marry your king  
Or an old maid you'll end up for certain

Off I did set on my trail of regret  
Where I thought of you now in your castle and crown  
So I found me a whore with a face just like yours  
After several gallons of porter  
When I awoke, she had scarpered I was broke  
Laying cold in the bed with a whale for a head  
So death valley queen go marry your king  
Or an old maid you'll end up for certain

Then the ball dropped why everything fell by the way  
As your teardrops were falling I forgot to say  
That I have always loved you  
Yeah I have always loved you  
Yeah I  
Yeah I  
I have always loved you

When I returned downtrodden and burned  
There were billy goats grazing  
Where once you'd be found  
So I hung out to dry  
On this limb for a lie  
Take me back for I'm cursed on the mainland  
Tell me dear what did you fear  
I'd do you no wrong though no stranger to sin  
So death valley queen go marry your king  
Or an old maid you'll end up for certain  
I said death valley queen go marry your king  
And a-roving I'll end up for certain
