

# If I Ever Leave This World Alive

Flogging Molly

If I ever leave this world alive  
I`ll thank ya for the things you did in my life  
If I ever leave this world alive  
I`ll come back down and sit beside your feet tonight  
Where ever I am you`ll always be  
More than just a memory  
If I ever leave this world alive

If I ever leave this world alive  
I`ll take on all the sadness  
That I left behind  
If I ever leave this world alive  
The madness that you feel will soon subside  
So in a word don`t shed a tear  
I`ll be here when it all gets weird  
If I ever leave this world alive

So when in doubt just call my name  
Just before you go insane  
If I ever leave this world  
Hey I may never leave this world  
But if I ever leave this world alive

She says:  
I`m okay; I`m all right,  
Though you have gone from my life  
You said that it would  
Now everything should be alright

She says I`m okay; I`m all right,  
Though you have gone from my life  
You said that it would  
Now everything should be alright  
Yeah should be alright
