

1. Feel the words from my lips  
To your hearts finger tip  
And you know where I come from  
Because I know, yes I know  
Everything there is to know  
Cause I lost everything I had

P: You see I  
I could have danced on the sun  
But my world came undone  
.....Laura

2. There's no need for tears  
Cause there's no need to cry  
The love that you lead  
Will never be denied  
This pain in my head  
Escaped from my heart  
No woman alive could touch who you were

R: So Bye-bye Laura  
There's no one who could take your place  
Bye-bye Laura  
Your beauty will never fade

3. The seed that you've sown  
Will reach for the sky  
This love that you lead  
Will never be denied  
And after this song the spirit lives on  
Though you're not around, you'll never be gone

R:

But I  
I could have danced on the sun  
But my world came undone  
Laura!  
Yeah, I could have danced on the sun  
But my world came undone  
So Bye-bye laura, bye-bye Laura

So bye-bye Laura, bye-bye Laura  
This pain in my head  
Escaped from my heart  
No woman alive could touch who you were

(2x):

So Bye-bye Laura  
There's no one who could take your place  
Bye-bye Laura  
Your beauty will never fade
