Flood Of Red

Sleep Sleep Slip Away,
Let All Of Your Dreamers Come Out.
We Try And Slip Them Once Again,

Well Sleep Sleep, Slip Away,
Dont Worry Your Little Head,
I Know Well Make It Out On Time.

But I Dont Need To Worry I'll Be Fine..

Winters Frozen, Cant Wake You Up At All
Cant Wake You Up At All.

Winters Frozen, Cant Wake You Up At All
Cant Wake You Up At All.

Well Sleep Sleep Slip Away, Our Glasgow City Streets,
Have Never Been So Cold Before,
Sleep Sleep SLip Away Close Both Your Eyelids Tight Oh God Your
Evrything & More
