## **Dog Days Are Over**

## Florence + the Machine

Happiness, hit her like a train on a track Coming towards her, stuck still no turning back She hid around corners and she hid under beds She killed it with kisses and from it she fled With every bubble she sank with a drink And washed it away down the kitchen sink

The dog days are over The dog days are done The horses are coming so you better run

Run fast for your mother run fast for your father Run for your children for your sisters and brothers Leave all your love and your longing behind you Can't carry it with you if you want to survive

The dog days are over The dog days are done Can't you hear the horses 'Cause here they come

And I never wanted anything from you Except everything you had And what was left after that too, oh.

Happiness hit her like a bullet in the back Struck from a great height By someone who should know better than that

The dog days are over The dog days are done Can you hear the horses 'Cause here they come

Run fast for your mother and fast for your father Run for your children for your sisters and brothers Leave all your love and your loving behind you Can't carry it with you if you want to survive

The dog days are over The dog days are done Can you hear the horses 'Cause here they come

The dog days are over The dog days are done Can you hear the horses 'Cause here they come

The dog days are over The dog days are done The horses are coming So you better run
