

## Grace

Florence + the Machine

I'm sorry I ruined your birthday  
I guess I could go back to university  
Try and make my mother proud  
Stop this phase I'm in, she deems dangerous  
In love  
The spelling is a problem  
As is the discipline  
And I don't think it would be too long  
Before I was drunk in Camberwell again

But this is the only thing I've ever had any faith in  
Grace, I know you carry us  
Grace, and it was such a mess  
Grace, I don't say it enough  
Grace, you are so loved

I'm sorry I ruined your birthday, you had turned 18  
And the sunshine hit me and I was behaving strangely  
All the walls were melting and there were mermaids everywhere  
Hearts flew from my hands and I could see people's feelings

This is the only thing I've ever had any faith in  
Grace, I know you carry us  
Grace, and it was such a mess  
Grace, I don't say it enough  
Grace, you are so loved

And you, you were the one I treated the worst  
Only because you loved me the most  
We haven't spoken in a long time  
I think about it sometimes  
I don't know who I was back then  
And I hope and hope  
I would never treat anyone like that again

This is the only thing I've ever had any faith in  
Grace, I know you carry us  
Grace, and it was such a mess  
Grace, I don't say it enough  
Grace, you are so loved  
Grace, I know you carry us  
Grace, and it was such a fucking mess  
Grace, I don't say it enough  
Grace, you are so loved

This is the only thing I've ever had any faith in  
This is the only thing I've ever had any faith in  
This is the only thing I've ever had any faith in  
This is the only thing I've ever had any faith in
