Kiss with a Fist

Florence + the Machine

You hit me once I hit you back You gave a kick I gave a slap You smashed a plate over my head Then I set fire to our bed You hit me once I hit you back You gave a kick I gave a slap You smashed a plate over my head Then I set fire to our bed, oh My black eye casts no shadow Your red eye sees nothing Your slap don't stick Your kicks don't hit So we remain the same Love sticks Sweat drips Break the lock if it don't fit A kick to the teeth is good for some A kiss with a fist is better then none A kiss with a fist is better then none I broke your jaw once before I spilled your blood upon the floor You broke my leg in return So sit back and watch the bed burn Love sticks Sweat drips Break the lock if it don't fit A kick in the teeth is good for some A kiss with a fist is better then none, oh A kiss with a fist is better then none You hit me once I hit you back You gave a kick I gave a slap You smashed a plate over my head Then I set fire to our bed, oh You hit me once I hit you back You gave a kick I gave a slap You smashed a plate over my head Then I set fire to our bed
