

## H.O.L.Y.

Florida Georgia Line

When the sun had left and the winter came  
And the sky thought to only bring the rain  
I sat in darkness  
All broken hearted  
I couldn't find a day I didn't feel alone  
I never meant to cry, started losing hope  
But somehow baby  
You broke through and saved me

You're an angel, tell me you're never leaving  
Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy  
I'm high on loving you, high on loving you  
You're holy, holy, holy, holy  
I'm high on loving you, high on loving you

You made the brightest days from the darkest nights  
You're the river bank where I was baptized  
Cleansed from the demons  
That were killing my freedom  
Let me lay you down, give me to ya  
Get you singing babe, hallelujah  
We'll be touching  
We'll be touching heaven

You're an angel, tell me you're never leaving  
Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy  
I'm high on loving you, high on loving you  
You're holy, holy, holy, holy  
I'm high on loving you, high on loving you

I don't need these stars cause you shine for me  
Like fire in my veins, you're my ecstasy  
You're my ecstasy

You're holy, holy, holy, holy  
I'm high on loving you, high on loving you  
You're holy, holy, holy, holy  
I'm high on loving you, high on loving you

You're the healing hands where it used to hurt  
You're my saving grace, you're my kind of church  
You're holy
