When the sun had left and the winter came And the sky thought to only bring the rain I sat in darkness All broken hearted I couldn't find a day I didn't feel alone I never meant to cry, started losing hope But somehow baby You broke through and saved me

You're an angel, tell me you're never leaving Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy I'm high on loving you, high on loving you You're holy, holy, holy, holy I'm high on loving you, high on loving you

You made the brightest days from the darkest nights You're the river bank where I was baptized Cleansed from the demons That were killing my freedom Let me lay you down, give me to ya Get you singing babe, hallelujah We'll be touching We'll be touching heaven

You're an angel, tell me you're never leaving Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy I'm high on loving you, high on loving you You're holy, holy, holy, holy I'm high on loving you, high on loving you

I don't need these stars cause you shine for me Like fire in my veins, you're my ecstasy You're my ecstasy

You're holy, holy, holy, holy I'm high on loving you, high on loving you You're holy, holy, holy, holy I'm high on loving you, high on loving you

You're the healing hands where it used to hurt You're my saving grace, you're my kind of church You're holy
