

# Every Inch

Florrie

You gotta earn every inch of my body babe  
You gotta earn every inch of my body babe  
You gotta earn every inch of my body baby baby baby baby

You got money in your pocket  
Your clothes are looking hot  
But I ain't looking for somebody like you

I know you wanna take me home  
But I'm leaving on my own  
Because I'm not the type of girl that goes through

You got money in your pocket  
Your clothes are looking hot  
But I ain't looking for somebody like you

I know you wanna take me home  
But I'm leaving on my own  
Because I'm not the type of girl that goes through

You got money in your pocket  
Your clothes are looking hot  
But I ain't looking for somebody like you

I know you wanna take me home  
But I'm leaving on my own  
Because I'm not the type of girl that goes through

Let's get creative  
Now show me your tricks  
You wanna taste it  
The touch of my lips  
Well listen baby  
Cos you gotta be  
A little crazy  
To wanna want me
