

Free Falling

Florrie

Free falling, free falling,
It's like I'm free falling
It's a change of course.

Here I am I sing the verse
Sing the verse, sing the verse,
Upside down and in reverse
In reverse, in reverse.

Free falling, free falling...
It's like I'm free falling
It's a change of course.

Feel the pressure in my head,
Feel it happening again.
(BOP BOP BOP BOP BOP BOP)

Here I am I sing the verse
Sing the verse, sing the verse,
Upside down and in reverse
In reverse, in reverse.

Here I am I sing the verse
Sing the verse, sing the verse,
Upside down and in reverse
In reverse, in reverse.

Here I am I sing the verse
Sing the verse, sing the verse,
Upside down and in reverse
In reverse, in reverse.

Feel the pressure in my head,
Feel it happening again.

Feel the pressure in my head,
Feel it happening again.
