

Wanna Control Myself

Florrie

Wanna control myself
But I can't let it go
And I wanna control myself
But it's all that I know

Change your mind
Change your heart
Change your life
Change the start of this
In mind, in mind

Wanna control myself
But I can't let it go
And I wanna control myself
But it's all that I know

I am not taken
But you wanna get me again
I feel my heart in my chest
It's like I'm being put the test
I am lost, taken
I just gotta have you again
Cos I'm gonna fight til the death
Oh and I'm being pushed to the end

Don't be mad at me no
But I let you fool me again
It's so much more than emotion
It's so much more than a threat

Wanna control myself
But I can't let it go
And I wanna control myself
But it's all that I know
Know know know.

I hear the sirens
I hear the sirens
I hear the sirens
Coming back for more
I hear the sirens
I hear the sirens
I hear the sirens
It's the final call
I hear the sirens
I hear the sirens
I hear the sirens
Coming back for more
