Fluffy

Cross dresser  
Slut angel selling acid punch  
Dominatrix with a submissive glance  
Botticelli with a tattooed bust  
Chorus  
She tried as hard as she could  
But not as hard as he thinks she should  
So she's a  
Cross dresser  
He'll never possess her  
Cross dresser  
Deceit under pressure  
And when she was bad  
She was very, very bad  
And when she was good  
She was horrid  
He's so embarrassed when she lets herself go  
So she acts like a good girl, puts on a show  
All this pretense leaves them both feeling low, but  
Chorus

And when she was bad  
She was very, very bad  
So she's a
