

I Wanna Be Your Lush

Fluffy

I want to be your lush
Your little bit of fluff
Lock me in a cage
Don't want to act so tough

Tie me down, honey
Make me feel secure
Bliss me up, baby
For you I will be pure
Chase me
Catch me
Possess me
I want to be your lush

I want to be your kitten
Caress my fur
Suffocate me with a whisper
Hear me purr

Tie me down, honey
Make me feel secure
Bliss me up, baby
For you I will be pure
Chase me
Catch me
Possess me
I want to be your lush
Drown me in your lust
I want to be your lush

I want to be your strawberry
Devour my flesh
Taste my sickly sweetness
Sweeter than the rest

Tie me down, honey
Make me feel secure
Bliss me up, baby
For you I will be pure
Chase me
Catch me
Possess me
I want to be your lush
Drown me in your lust
Your little bit of fluff

I want to be your...
I want to be your...
I want to be your lush
