

Never Be Like You

Flume

What I would do to take away
This fear of being loved, allegiance to the pain
Now I'm fucked up and I'm missing you
Never be like you
I would give anything to change
This fickle-minded heart that loves fake shiny things
Now I'm fucked up and I'm missing you
Never be like you

I'm only human, can't you see
I ma-I made a mistake
Please, just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

How do I make you wanna stay?
Hate sleeping on my own, missing the way you taste
Now I'm fucked up and I'm missing you
Never be like you
Stop looking at me with those eyes
Like I could disappear and you wouldn't care why
Now I'm fucked up and I'm missing you
Never be like you

I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

I am falling on my knees
Forgive me, I'm a fucking fool
I am begging, darling, please
absolve me of my sins, won't you
Ohoo
I am falling on my knees
Forgive me, I'm a fucking fool

I am begging darling please
Absolve me of my sins, won't you

I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you

Baby, please, believe me
Come on, take it easy
Please, don't ever leave me
Oo ooh
Never be like you
