

# TRUST

Flume

I can't fight, holding much, you know I trust in reason  
That I would go back  
And I'm over you  
And I better make it  
And not go back

Oh, and I'd kill to  
Kick my beat back into you  
Hear me out, Babe, I wanna talk about it  
Kick my beat back into you

Oh, and I'd kill to  
See my lips out next to you  
Hear me out, Babe, I wanna talk about it  
Kick my beat back into you

Oh, and I'd kill to  
Kick my beat back into you  
Hear me out, Babe, I wanna talk about it  
Kick my beat back into you

I, I wanted to  
High, High, But I'm going slow  
I, I wanted to  
Hearts, Hearts, But I'm going slow

(Maybe it's something I should have said a long time ago)
