

## What About Us

Flume

You can run again when it's dark  
I don't want to get you now  
I can't see you running out  
I don't want to get you back

You can run again when it's dark  
I don't want to get you now  
I can't see you running out  
I don't want to get you back

I can see you're running out  
(what about us)  
I don't want to get you now  
It's clear to me you're not here alone  
So far over you

I can see you're running out  
(what about us)  
I don't want to get you now  
It's clear to me you're not here alone  
So far over you

I can see you're running out  
(what about us)  
I don't want to get you now  
It's clear to me you're not here alone  
So far over you
