

Diet of Water and Love

Flunk

(The Valium Poets)

When you are here
With me
With valium poets all ears
Floating on clouds
We wait
For whatever comes around

It's so perfectly quiet and I'm
And I'm gonna stay
On a diet of water and love
While life goes on

When you are here
With me
With valium poets all ears
Floating on clouds
We wait
For whatever comes around

It's so perfectly quiet and I'm
And I'm gonna stay
On a diet of water and love
While life goes on
