Diet of Water and Love

(The Valium Poets)

When you are here With me With valium poets all ears Floating on clouds We wait For whatever comes around

It's so perfectly quiet and I'm And I'm gonna stay On a diet of water and love While life goes on

When you are here With me With valium poets all ears Floating on clouds We wait For whatever comes around

It's so perfectly quiet and I'm And I'm gonna stay On a diet of water and love While life goes on
