

Push Up

Fly Project

Push up the underground...

Push up the underground...

Let me see you jump in my car tonight,
Let me see you pump up the morning light,
Let me see you up, let me see you down,
Let me see you push up the underground.
(2x)

Push up the underground...

I am the man with the shotgun,
The one, I'm the bad guy,
I'm pushing you up, I'm gonna get down,

Run on the east side, get on the west side,
Shake it in downtown, leave it on my.
I am the man with the shotgun,
The one, I'm the bad guy,
I'm pushing you up, I'm gonna get down,
Run on the east side, get on the west side,
Shake it in downtown, leave it on my own.

Let me see you jump in my car tonight,
Let me see you pump up the morning light,
Let me see you up, let me see you down,
Let me see you push up the underground.
(2x)

I am the man with the shotgun,
