

## Dark End of the Street

Flying Burrito Brothers

At the dark end of the street  
that is where we always meet  
hiding in shadows where we don't belong  
living in darkness, to hide alone  
You and me, at the dark end of the street  
You and me  
I know a time has gonna take it's toll  
we have to pay for the love we stole  
It's a sin and we know it's wrong  
Oh, our love keeps going on strong  
Steal away to the dark end of the street  
You and me  
They gonna find us, they gonna find us  
They gonna find us love someday  
You and me, at the dark end of the street  
You and me  
When the daylight all goes around  
And by chance we're both down the town  
Please meet, just walk, walk on by  
Oh, darling, please don't you cry  
You and me, at the dark end of the street  
You and me
