Do Right Woman

Flying Burrito Brothers

Take me to heart and I'll always love you And nobody else could make me do wrong Take me for granted and I'll tag right along Makes will power weak and temptation strong

A woman's only human this you must understand She's not just a play thing she expects love just like a man So if you want to do right all day woman You gotta be a do right all night man

They say that's it's a man's world
But you can't prove that by me
But as long as we're together baby
You better show some respect for me

So if you want to do right all day woman You gotta be a do right all night man You gotta be a do right all night man You gotta be a do right all night man You gotta be a do right all night man
