

# Hand to Mouth

Flying Burrito Brothers

Hand to mouth  
I've been livin' from hand to mouth  
Days are gettin' longer, nights are gettin' colder  
Since you've been gone

Hand to mouth  
I've been livin' from hand to mouth  
But don't you worry, honey, don't you worry  
Somehow I get along

Movin' is my little game  
I never felt the taste of fame  
Been on the road since I was just a child  
Workin' here, then I'm gone  
Never in one place too long  
It's enough to drive a poor man wild

I've been livin' from hand to mouth  
I've been livin' from hand to mouth  
But don't you worry, honey, don't you worry  
Somehow I get along

I'm sorry for the times you've cried  
They were the times, I've laughed and lied  
I really didn't know how much I cared  
And now I wish to spend more time  
To keep your love and ease your mind  
There's nothing quite the same when it's not shared

I've been livin' from hand to mouth  
I've been livin' from hand to mouth  
But don't you worry, honey, don't you worry  
Somehow I get along

Don't you worry, honey, don't you worry  
Somehow I get along  
Don't you worry, honey, don't you worry  
Somehow I get along  
Somehow I get along
