

## Losing Game

Flying Burrito Brothers

I love you darling but you don't love me  
Might as well face it and set you free  
I've been playing a losing game  
In spite of this I'm not ashamed  
I gave you my love and I have no regrets  
I'm true to you baby with love and respect  
I stood by you when no one else would  
And I gave you everything I possibly could  
I'm sitting here with my hopes so high  
Never been a day pass when I didn't cry  
People are talking all over town  
Keep telling me that I should put you down  
From your lips sweet honey pours  
That is where all my love goes  
I shouldn't have put my hopes so high  
Never been a day when I didn't cry  
(Repeat first verse)
