

Love Is All Around

Flying Pickets

I feel it in my fingers
I feel it in my toes
The love that's all around me
And so the feeling grows, Ohh yeah
It's written on the wind
It's everywhere I go
So if you really love me
Come on and let it show
You know I love you, I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
'Cause on my love
you can depend
I see your face before me
As I lay on my bed
I cannot get to thinking
Of all the things you said
You gave your promise to me and I gave mine to you
I need someone beside me in everything I do
You know I love you, I always will (I always will)
My mind's made up by the way that I feel (that I feel)
There's no beginning, there'll be no end
('Cause on my love) 'Cause on my love
you can depend
It's written in the wind
It's everywhere I go
ba ba run ba run bu run
So if you really love me
Come on and let it show
a ba run ba run bu run
Come on and let it show
a ba run ba run bu run
Come on and let it show

You know I love you, I always will
My mind's made up by the way that I feel
There's no beginning, there'll be no end
'Cause on my love
you can depend

Come on and let it show
(Come on and let it show)
Come on and let it show
(Come on and let it show)
Come on and let it show
(Come on and let it show)
Come on and let it show
(Come on and let it show)
Come on and let it show
(Come on and let it show)
Come on and let it show
(Come on and let it show)
