

# I'm So Sick

Flyleaf

I will break into your thoughts  
With what's written on my heart  
I will break, break

I'm so sick,  
Infected with where I live  
Let me live without this  
Empty bliss,  
Selfishness  
I'm so sick  
I'm so sick

If you want more of this  
We can push out, sell out, die out  
So you'll shut up  
And stay sleeping  
With my screaming in your itching ears

I'm so sick,  
Infected with where I live  
Let me live without this  
Empty bliss,  
Selfishness  
I'm so sick  
I'm so sick

Hear it, I'm screaming it  
You're heeding to it now

Hear it! I'm screaming it!  
You tremble at this sound

You sink into my clothes  
And this invasion  
Makes me feel  
Worthless, hopeless, sick

I'm so sick,  
Infected with where I live  
Let me live without this  
Empty bliss,  
Selfishness  
I'm so sick  
I'm so sick

I'm so sick  
Infected with where I live  
Let me live without this  
Empty bliss, selfishness  
I'm so  
I'm so sick  
I'm so  
I'm so sick
