

## Set Apart This Dream

Flyleaf

Close your eyes little girl  
You're a princess now  
You own this world  
Twirling in your twirly dress  
You're the loveliest far above the rest

You build your castles in the skies  
Stars reflecting off your eyes  
And angels sing on silver clouds  
And no one cries screams or shouts

Oh set apart this dream  
Oh set apart this dream for me  
Set apart this dream for me

Close your eyes pretty girl  
'Cause its easier when you brace yourself  
Set your thoughts on a world far off  
Where we only cry from joy

Oh set apart this dream  
Oh set apart this dream for me  
Set apart this dream for me

Oh lovely and beautiful  
Precious and priceless  
You're so much more than you know  
Heart of the purest gold  
Pure clean and white snow  
Clothed in such splendor  
Oh what a beauty for me

Set apart this dream

Oh set apart this dream (Set apart this dream)  
Oh set apart this dream for me (Set apart this dream)  
Set apart this dream for me
