## So I Thought

All your twisted thoughts free flow To everlasting memories Show soul Kiss the stars with me And dread the wait for Stupid calls returning to us to life We say to those who are in love It can't be true 'cause we're too young I know that's true because so long I was So in love with you So I thought A year goes by And I can't talk about it On my knees Dim lighted room Thoughts free flow try to consume myself in this I'm not faithless Just paranoid of getting lost or that I might lose

Ignorance is bliss cherish it Pretty neighborhoods you learn to much to hold Believe it not And fight the tears With pretty smiles and lies about the times

A year goes by And I can't talk about it The times weren't right And I couldn't talk about it

Choris Romance says goodnight Close your eyes and I'll close mine Remember you, remember me Hurt the first, the last between Choris Romance says goodnight Close your eyes and I'll close mine Remember you, remember me Hurt the first, the last, between

And I'm praying that we will see Something there in between Then and there that exceeds all we can dream

And all these twisted thoughts I see Jesus there in between And all these twisted thoughts I see Jesus there in between Flyleaf
