

Asylum

Flymore

Holding nothing
Falling back this time
Being caught on something
So can I

Burning my face
Tears rip me apart
Everybody makes me
Me give up

So if I'd have
Cut'em all down to size
Everything I said
Have been despised

I crave my hate
How could I hold on
Scheming all my fate
Used me so

Come on You can
Don't you wanna fly
Wipe away the tears
Come with me
Don't live in some fantasy world and
This time for no fear

Whatever the reasons are
You didn't know me than
You don't know me now
I'm freaking out
I've made a mess
And everything goes wrong

Wherever I find myself
Well I know that I won't ever be the same
Will it stay intact
If I be strong
I try hard to be strong

People haunt me
Should I pull ahead
Each day stands mo freighting
So I fret

Will tomorrow
Bring another sun
And make me say that I am
I'm alive

Come on You can
Don't you wanna fly
Wipe away the tears
Come with me
Don't live in some fantasy world and
This time for no fear

Whatever the reasons are
You didn't know me then
You don't know me now
I'm freaking out
I've made a mess
And everything goes wrong

Wherever I find myself
Well I know that I won't ever be the same
Will it stay intact
If I be strong

Time will heal all the pain
How much I long for
In a glint of time's eye
This sorrow will heal
I try the best I can
Why must I hold on
That's how I feel the time
Time has no feelings

My time

I'm crying for help does
Anyone hear me
I lived in that dreams
I thought were so true

I'm crying for help does
Anyone hear me
I wish I were someone
Have got nothing to lose

I'm crying for help does
Anyone hear me
If I be strong
I won't be the same
