

Happy Winter

FM Belfast

Last night,
I lend you my car,
I lend you my car,
then you called me today,
and you don't know where you are,
and you don't know where you've been.

This year is making me fear.
I've seen this place,
but I don't remember,
don't remember when.
I know I've been here before.
I've seen this place,
but I don't remember,
don't remember when.

Happy winter,
I corss the (?)
I cross the (?)
And now my heart's crying
and my heart's crying.

Sorry I meant it,
I'm sorry I meant it.

Now I am cold,
And now I am cold.

I'm Fading away,
I'm Fading away.

But if you help me now,
if you help me now.

You might save me, my friend.
You might save me, my friend.
