

Par Avion

FM Belfast

We were lying down
In front of our house
In the summertime
In the summertime

I wish I had a house
In the Caribbean
The Caribbean

I saw a commercial
On my television
About the Caribbean

And we could go there
Par avion
Par avion
And we could go there
Par avion
Par avion

I saw a presentation
on a TV station
about the Caribbean

We were lying down
In front of our house
In the summertime
In the summertime

I wish I had a house
In the Caribbean
The Caribbean

I saw a commercial
On my television
About the Caribbean

And we could go there
Par avion
Par avion
And we could go there
Par avion
Par avion
And we could go there
Par avion
Par avion

Par avion
Par avion
Par avion
Par avion

And we could go there
And we could go there
And we could go there
Par avion
Par avion

And we could go there
