

U Don't Know Me Like That

FM Static

Everyone around shout Oh Oh!
It's about to go down Oh Oh!
Next time you wanna talk smack, Oh Oh!
Prepare for me to smack back. Oh Oh!

How you come off thinking that your better of then me
Cause we might dress so differently or maybe even have different beliefs
And you don't understand the things you see
So your constantly looking for a piece of me,
And I'm sick and I'm tired, of all your games tonight...

So don't treat me like you know me. Yeah Yeah!
Don't pretend we're homies. Yeah Yeah!
Cause you act like you don't know me Yeah Yeah!
Your whole teams so phony, cause you don't know me like that.

You don't know me like that
ohh ho ohh ohh
So you better step back (So you better step back)
oh oh oh oh (oh oh oh oh)
If you don't I might snap. (If you don't I might snap.)
