Astronauts 'n All

Foals

Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings

Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings

Make it happen, boys and girls
Make it happen, boys and girls
Make it happen, boys and girls
Make it happen, boys and girls

Make it happen, boys and girls
Make it happen, boys and girls

Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings

Hey, I hear the future birds
It's called spaceships, astronauts and all
Let's trade all these types of things for wings
