## Foals

You see through me in time  
And I ride white horses on hills  
I long for you  
All through bleeding June  
Will I reach silent seas?  
I wait on the white hills  
In ropes that unwind

So what does life loan you again?  
A long time...  
Salt-eyed starless nights

Time loans you again, give me one more time  
One more, just give me one more time

Time incoming, life becoming  
Time incoming, I'm coming in  
Time incoming, life becoming  
Time incoming, ropes unwinding  
When I wait, when I wait  
Time incoming, life becoming in  
Ropes unwinding, time becoming in  
Life becoming in, oh I coming in  
Times incoming, life becoming  
Ropes unwinding
