

Sun's up  
We wait all day  
Sun's up  
We wait all day, all day

The hell outside's kept away  
If only we could move away  
From here

This is how we build a place  
An aviary for today  
An aviary for today

Let's disappear till tomorrow  
Let's disappear till tomorrow  
Disappear, disappear, disappear

Blow up these play parades, let's go  
To an aviary far from home  
To an aviary far from home

A one hand clap is me and you  
And you, and you, and you  
While the hell outside's kept away  
If only we moved away  
Disappear, disappear, disappear

Last vacation was the same  
We got moved away  
Last vacation was the same  
We got moved away  
Last vacation was the same  
We got moved away

Sun down now we have built our place  
An aviary forever  
An aviary forever  
Forever, forever  
Reappear, reappear, reappear, reappear
