So I walked into the haze And a million dirty ways Now I see you lying there Like a lie low losing air, air Black rocks and shoreline sand Still that summer I cannot bare And I wipe the sand of my arms The Spanish Sahara, the place that you'd wanna Leave the horror here Forget the horror here Forget the horror here Leave it all down here It's future rust and then it's future dust Forget the horror here Forget the horror here Leave it all down here It's future rust and then it's future dust Now the waves they drag you down Carry you to broken ground Though I find you in the sand Wipe you clean with dirty hands So goddamn this boiling space The Spanish Sahara, the place that you'd wanna Leave the horror here Forget the horror here Forget the horror here Leave it all down here It's future rust and then it's future dust I'm the fury in your head I'm the fury in your bed I'm the ghost in the back of your head 'Cause I am I'm the fury in your head I'm the fury in your bed I'm the ghost in the back of your head 'Cause I am I'm the fury in your head I'm the fury in your bed I'm the ghost in the back of your head 'Cause I am Forget the horror here Forget the horror here Leave it all down here It's future rust and it's future dust I'm the fury in your head

I'm the fury in your bed

I'm the ghost in the back of your head 'Cause I am

I'm the fury in your head
I'm the fury in your bed
I'm the ghost in the back of your head
'Cause I am

I'm the fury in your head
I'm the fury in your bed
I'm the ghost in the back of your head
'Cause I am
