

## Whispered Myths (Of Ancient Times)

Fog

Deep in seclusion  
Away from the light  
Amidst the beasts  
Of this forest of darkness

Forgotten slumber  
Enthroned in stone  
Remembered not  
Lost in time

In eternal slumber  
Forbidden agony  
Enchanted echo of time long ago  
Existing still

Whispered myths  
The whaling of this forest breeze  
Lost souls of long ago  
Never to return

The sun extinguished  
Never to rise again  
The sleepers will awaken
