## And I Do Just What I Want

Live while you're livin', 'cause you know what they said, Don't matter how long you live, you're a long time dead. I said no use to worry, no use to fret, I'd like a million dollars but I ain't gonna bet. I'm alright tonight, and I'll do just what I want.

Tell everybody in the neighborhood, That I want to party, want to party good. And I don't care what the people don't allow, I'm gonna have a good time any old how. I'm alright tonight, and I do just what I want. Oww!

Whoo!

Live while you're livin', 'cause you know what they said, Don't matter how long you live, you're a long time dead. I said no use to worry, no use to fret, I'd like a million dollars but I ain't gonna get. I'm alright tonight, and I do just what I want ....

When I hold you in my arms, Love can't do no wrong, And when I hold you tight, Love gonna do me right.

(Tell everybody in the neighborhood!)
(I want to party, want to party good!)
And I don't care what the people don't allow,
I'm gonna have a good time any old how.
I'm alright tonight, and I do just what I want.
I'm alright tonoit, and I do just what I want.
