

Golden Arrow

Foghat

Standing on the bridge, peeking through the crack,
See the Golden Arrow go rollin' down the track,
Must've been the fastest train I've ever seen,
Eyes wide open as I watch that gold machine.

See the train comin' and I heard the whistle blow,
Like a flash of' lightnin', the arrow shinin' gold,
Felt so excited, left my troubles way behind,
See the Golden Arrow go rollin' down the line.

Rollin', rollin' in the rain -
Rollin', rollin' in the rain -
Rollin', rollin' in the rain -
Will I ever ride that train?

Dark clouds rollin', it's another rainy day,
Early in the morning, I have to get away,
Standing on the bridge and I'm feelin' kinda sad,
Line's all deserted and I feel so bad.

Rollin', rollin' in the rain - Rollin', rollin' in the rain,
Rollin', rollin' in the rain -
Will I ever ride that train?

Yea-ee-yea
Rollin', rollin' in the rain - Rollin', rollin' in the rain,
Rollin', rollin' in the rain -
Will I ever ride that train?

Rollin', rollin' in the rain - Rollin', rollin' in the rain
Rollin', rollin' in the rain -
Will I ever ride that train?

Yea,
Whoo!
Gotta keep rollin'!
