## It'll Be Me

If you hear somebody knockin' on your door If you see something crawlin' all across the floor Baby, it'll be me And I'll been lookin' for you

If you see a head peepin' from a crawdad hole If you see somebody climbin' up a telephone pole Baby, it'll be me And I'll been lookin' for you

Gonna look on the mountain And in the deep blue sea Gonna search all the forests Gonna look in every tree

If you feel somethin' heavy on your fishin' hook If you see a funny face in your comic book Baby, it'll be me And I'll been lookin' for you Oh, look a here now

Gonna look in the city Where the lights are blue Gonna search the countryside And all the haystacks too

Well, if you hear a voice callin' out in the night If you see somebody hangin' from a lampost bright Baby, it'll be me And I'll been lookin' for you Oh yeah

Gonna look on the mountain And in the deep blue sea Gonna search all the forests Gonna, gonna look in every tree

Well if you see a new face on a totem pole If you find you a lump in your sugar bowl Baby, it'll be me And I'll been lookin' for you

I'll be lookin' for you And I'll be lookin' for you

I'll be lookin' for you And I'll be lookin' for you

I'll be lookin' for you I'll just keep looking for you

I'll be lookin' for you I'll be lookin' for you I'll be lookin' for you
