

# Long Way To Go

Foghat

The road that I travel is foggy and wide  
I lost my direction, I'm wanderin' from side to side

Heart beatin' fast, feet movin' slow  
No time to lose, but I sure got a long way to go, long way to go

Rough is the road, dark is the night  
I ain't gonna rest 'til I see the big city lights

Temperature's high, spirit is low  
No time to lose, but I sure got a long way to go, long way to go  
No time to lose, but I sure got a long way to go

I feel so tired, I feel so sad  
I need a rest, but that's too bad, I gotta keep movin'

I feel so tired, I feel so sad  
I need a rest, but that's too bad

Pain in my heart, dust in my shoes  
Ache in my body, I got the travelin' blues

How many miles, nobody knows  
No time to lose, but I sure got a long way to go, long way to go  
No time to lose, but I sure got a long, long, long, long way to go
