Listen to me baby, I'll tell you what I need. Come on and spend some time with me, Come on, one night is all I need, hey-hey. Give me satisfaction when you steady roll, Give me what you got and you can give me more, see 'mon, that's how it's gotta be.

I need somebody, save your loving for me, I need somebody, save your loving for me.

Oh, I'm gonna rock you babe see 'mon, show me the games you play, Rock on until the break of day, hey-hey. Let me come on over spend some time with you, I know a lot of things that we can do, see 'mon, don't give it all away.

I need somebody, save your loving for me, I need somebody, save your loving for me.

{Solo}

You're my all day study, you're my midnight dream,
You need love, I need love, rock me baby, 'til I scream.

I need somebody, save your loving for me,
I need somebody, save your loving for me.
I need somebody, save your sweet love for me,
I need somebody, save your loving for me.

I need, hoo hoo, I need your sweet loving, see 'mon, see 'mon baby yeah, Give me some of your sweet, sweet loving.
