

Hymn to Zeus

Folkearth

Zeus greatly honoured, Zeus imperishable, here to you
We experience redemptory and speak, we declare
Ow King, that from your head all the holy came
Mother earth and mountains highest lines
And the deep sea and all everything that the sky can embrace

Ow Son of Cronos Zeus, leader, thunderer, brave-heart
All-father, root of entire world and terminus of it
Earth-shaker, Augmentor, Purgatorial, All-shaker
Lightning, thunderer, fertile Zeus
Hear me: variiform and give health
And holy peace and impiccable glory of wealth
